Description of Work

(Detailed explanation of area and extent of work to be performed)
Design and installation shall be in accordance with current edition of NFPA.

PLEASE PRINT NEATLY

All related Material Specification Data Sheets (MSDS) shall be submitted with permit application.

This permit application is only for the application of a flammable finish material on floors, bowling lanes, bowling pins, or similar locations or items. This permit application is not to be used for the spraying of flammable finish material.

Two sets of drawings, one digital, one paper, and one submittal book shall be submitted with each permit application for review. The applicant will receive permit after plan review.

Applicant

I, the undersigned, do hereby affirm that the statements contained on this form are true and correct. I further agree to comply with the provisions of applicable ordinances of the City of Watertown, SD, and the approved plans and specifications submitted with this application.

In addition, it is understood that the installation of systems shall be made only by persons properly trained and qualified to install the specific system being provided. The installer certifies to this authority that the installation is in complete agreement with the terms of the listing and manufacturer's instructions and/or approved design plan.

**NO WORK SHALL COMMENCE WITHOUT AN
APPROVED PERMIT ISSUED BY THE FIRE
PREVENTION DIVISION AND PAYMENT TO
WATERTOWN FIRE RESCUE**
